

Annemarie Mijer

Member of the Executive Board and Chief Finance & Risk Officer (CFRO) APG

Annemarie Mijer has been a member of the Executive Board of APG Group since 1 March 2026 and assumed the role of Chief Finance & Risk Officer (CFRO) as of 1 April.

Annemarie Mijer has more than twenty-five years of experience in risk management, finance and governance within banks, insurers and pension funds. Annemarie (1970) has a proven track record in highly regulated and complex environments, in which she operates effectively and decisively. Throughout her career, she has held various key positions, including Chief Risk Officer and statutory director at several financial institutions.

After studying Actuarial Mathematics at the University of Amsterdam, Annemarie began her career at ING Group. She subsequently held various senior risk and executive roles at organisations including NN Life Insurance, Delta Lloyd, ABN Amro and Athora Netherlands. In addition, she holds several supervisory and advisory positions, including Chair of the Supervisory Board at Klaverblad Insurance.
