

Maarten Blacquière

Member of the Board of Directors of the APG Groep, responsible for Finance & Risk

Maarten Blacquière has been appointed as Chief Finance & Risk Officer (CFRO), since April 1, 2022.

Blacquière has extensive managerial experience and knowledge of all aspects of financial management. Over the past thirty years, he has held various management, operational and staff positions within the energy sector. For the past eight years he was part of the executive board of distribution system operator Enexis as Chief Financial Officer. Before that, as Chief Financial Officer, he was the central point of contact for the financial policy and corporate social responsibility (CSR) within the Board of Directors of GasTerra for more than seven years.

Maarten studied Industrial Engineering and Management at the University of Twente.
